Further information on the Business Testing Scheme

To ensure we continue to manage the spread of Covid 19, the council is offering a grant to support Wolverhampton businesses to undertake regular testing of its workforce.

To be eligible for the grant, businesses must hold a business rate account or a current property lease or rental agreement and must commit to:

- Testing over 75% of their workforce twice a week, each week, until 30 June

Applications open on Monday 22 March and need to be submitted by 30 April to participate in the scheme. The scheme will be closed for new applications on 30 April, 2021.

The terms of the grant require employees to undertake on-site workplace testing or attend one of the community rapid test centres a minimum of twice a week. Evidence of testing will need to be uploaded to the portal on a weekly basis for the duration of the scheme.

Grants will be awarded based on the number of employees within a business, subject to meeting the terms and conditions of the scheme.

Number of employees	Total Grant	Initial 25% payment	Final 75% payment
1 - 2	£500	£125	£375
3 - 49	£2,000	£500	£1,500
50 – 249	£5,000	£1,250	£3,750

The initial 25% payment will be made subject to the information in the application meeting the requirements. The final payment will be made following the end of the scheme on 30 June in line with the terms above.

The Council reserves the right to close or vary the terms of the scheme at any time, and without notice, should it be necessary to do so. Anyone found to be making fraudulent or a misleading application could face prosecution and any funds received will be subject to a recovery notice.
